Re: Doe v. Wilmington Housing Authority, C.A. No. 10-cv-00473

Dear Judge Stark:

Enclosed please find a proposed Stipulation and Order modifying the briefing schedule in the above matter. Under the proposed Stipulation, Reply Briefs would be due on March 14, 2011 to provide three weeks between the filing of the last brief and the oral argument as the Court directed in the scheduling order. If the Stipulation meets with Your Honor's approval, the parties respectfully request that it be entered on the docket.

In addition, counsel for the parties have conferred and do not believe that there will be any need for live testimony at the argument now scheduled for April 5. Accordingly, this will confirm that the parties will present an oral argument on their expected cross motions for summary judgment on that date. Of course, counsel for the parties are available at the Court's convenience should the Court wish to confer with them regarding the briefing schedule or oral argument.

Respectfully,

/s/ Barry M. Willoughby
